

INSIDE THE MIND OF A TEEN KILLER

Peer into the minds of teen killers like Pearl, Mississippi school shooter Luke Woodham with researcher Phil Chalmers as your guide to understand the motives behind, and possibly prevent, their horrifying violence. Luke Woodham, a pudgy 16-year-old, woke up one day, slit his mother's throat, and then drove to school, where he shot 9 people, including his girlfriend. Why? In "Inside the Mind of a Teen Killer," Chalmers, who has been interviewing teen murderers and serial killers for over a decade, recounts Woodham's gripping and horrifying story, plumbing his...

Reader's Opinions

Interesting and hard to put down, mentioning many cases of teen murder that were new to me, but I have to say that overall the feel of the book was superficial and unfocused. In a way, this book is a great overview of the wrongheaded ideas people use to explain school shooting and other dreadful kid behavior. He describes the horrible...

The book made me mad, because age "don't cut no ice" with me. I say they should be hanged, quicker the better. Once the crime's proven, they are not remorseful--but glad of what they did--take them out. Yes, I live in Texas. The more you know, the more cynical you get.
