

MONTE CASSINO

The six-month battle for Monte Cassino was Britain's bitterest and bloodiest encounter with the German army on any front in World War Two. At the beginning of 1944 Italy was the western Allies' only active front...

Reader's Opinions

What an eye-opener. I've read a lot of WWII books and none have come close to portraying how awful it was to be in the trenches as this book has done. I just kept shaking my head in amazement at what these men went through at the insistence of those high in command. And they knocked down the...
