

# THORNS

~BOOK 2 IN THE FROST CHRONICLES~Lia Weaver went against everything she'd ever known when she risked her life to help a Farther fugitive named Gabe escape from the Aeralian soldiers, and her life changed forever. And the Frost changed, too—the Farthers have taken over her village, a new group of vigilantes calling themselves the Blackcoats are making plans to...

## Reader's Opinions

Actual rating: 3.5 starsI love Ellison's style of writing but something feels a bit off in this book. It did not feel much like a sequel, because we are faced with more questions rather than the answers we were looking for.I felt a bit detached from Lia too, up until the last few chapters. I understand that she had lost much and had...
