

# FABLES, VOLUME 1: LEGENDS IN EXILE

When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile. Disguised among the "mundys," their name for normal citizens of modern-day New York, these magical characters created their own secret society that they call Fabletown. From their exclusive luxury apartment buildings...

## Reader's Opinions

3.5 starsSuch an interesting and fun concept! I definitely enjoyed reading this volume which represents the perfect introduction to this story's characters and the world they live in. This volume is like one big investigation and I really enjoyed trying to figure out what happened to Rose Red. Also, Snow White is a bad ass. Love her....
