

# WHY DON'T WOODPECKERS GET HEADACHES?: AND OTHER BIRD QUESTIONS YOU KNOW YOU WANT TO ASK

In 1983, Mike O'Connor opened the Bird Watcher's General Store on Cape Cod, which might well have been the first store devoted solely to birding in the United States. Since that time he has answered thousands of questions about birds, both at his store...

## Reader's Opinions

Skip the first sarcastic paragraph of each entry, and it's actually entertaining and informative. And the author's favorite bird is a Chickadee...you gotta just love that.

This book is a collection of O'Connor's newspaper columns on birds. Many are amusing. I learned that woodpeckers have muscles & bone at the base of the beak that act as a shockabsorber, and they have thick craniums.
