

BATTLE FOR THE STARS

"A most impressive example of understatement--in science fiction ... keeps the major components of the story within the bounds of the human. Quite an accomplishment in view of the cosmic nature of the plot!" that's how Galaxy Magazine describes the dazzling cosmic science fiction of pulp master Edmond Hamilton. A husband and wife find themselves at odds with each other when they become the center of a whirlpool of galactic intrigue in this top-of-form and very adroit novel containing Hamilton's classic blend of pulp space...
