Reader's Opinions

Some of these lies don't live up to the title. But some of them are downright hilarious. And the pictures vacillate between being adorable/weird and ugly/weird. I've really been wanting to use the word "vacillate" lately. Score.

If you're old-fashioned and pure of heart, this is not the book for you! But if you like slightly twisted off-the-wall humor, this book is hysterical. I still think my Dad wrote this book. I just know he didn't go to heaven, he's been re-incarnated as Andy Riley! Yup, the same kind of stuff I heard growing up but they can't be lies!...
