

MOON IN THE WATER

Ann Rossiter is no man's idea of the perfect wife, yet she has a chance—a single chance—to insure her future. To protect her unborn child, Ann agrees to marry a common riverboat pilot. In exchange, he'll gain command of her stepfather's magnificent new steamer—the Andromeda. But as they ply the western rivers together, Ann is drawn to her new husband, to his quiet strength and smoldering magnetism. Still, she dares not yield her heart for fear he will...

Reader's Opinions

I enjoyed the honesty and integrity of Chase. Lovely little riverboat romance.
