

# THE NAZIS - A WARNING FROM HISTORY

Following the success of Rees' bestselling Auschwitz, this substantially revised and updated edition of The Nazis - A Warning from History tells the powerfully gripping story of the rise and fall of the Third Reich. During a 16-year period, acclaimed author and documentary-maker Laurence Rees met and interviewed a large number...

## Reader's Opinions

I'm not typically a non-fiction reader, but the hubby wanted me to read this one. I appreciated that it didn't read as though the authors used a thesaurus to write it. The flow was logical, and the pictures made their point. For someone more serious about history, this book may be lacking.

This book gave eye-witness accounts of various aspects of the rise and fall of the Nazi's. The most interesting part for me was the war on the Eastern front, about which I knew little, especially the tactical errors made by Stalin in the beginning of that struggle. For me, it was frightening to learn how...
