Reader's Opinions

There was a cool idea hidden somewhere within this book, but it never really came together. There is no question that this is one of the worst New 52 volumes I have read so far in my quest to read all 52. The art was...

Public library copy.While there was tons of action, I didn't feel I got to know the characters enough to care and I wonder if it was intentional by the writer to name one of the main characters after the actor on The...
