

GOING POSTAL

Moist von Lipwig was a con artist, a fraud, and a man faced with a life choice: be hanged, or put Ankh-Morpork's ailing postal service back on its feet. It was a tough decision. With the help of a golem who has been at the bottom of a hole in the ground for over two hundred years, a pin fanatic, and...

Reader's Opinions

I was reading this to my son when that train crashed and burned in Quebec, destroying so much property and killing all those people. I watched the news and listened to the new owner of the company in question defend his methods of making more money by cutting expenses -- specifically, expenses like having two engineers on a shift when...

I am probably the last person on earth to read Terry Pratchett, but I'm glad I finally did. People have been recommending his books to me for years and although I had planned on starting with book 1, Color of Magic, the bookseller recommended I start with Going Postal instead...
