## Reader's Opinions

Exciting end to the trilogy. Though, \*spoiler\* Thrawn died a little too easily, especially since he played such a big role through the series. Seems that Cbaoth got more of the ending action than Thrawn did.

4.5 stars. The Thrawn Trilogy, of which this is the final book, set the standard for "non-canon" star wars books and is still among the best in that group. This is a great universe (i.e., star wars) written by an excellent author (i.e., Zahn). The result is a very good read.
