

# JOURNEY TO THE CENTRE OF THE EARTH

From that hour we had no further occasion for the exercise of reason, or judgment, or skill, or contrivance. We were henceforth to be hurled along, the playthings of the fierce elements of the deep. In Verne's science-fiction classic, Professor Lidenbrock chances upon an ancient manuscript and pledges to solve the mysterious coded message that lies within it. Eventually he deciphers the story – that of...

## Peek Inside the Book

Is the Master out of his mind?' she asked me. I nodded. 'And he's taking you with him?' I nodded again. 'Where?' she asked. I pointed towards the centre of the earth. 'Into the cellar?' exclaimed...

## Reader's Opinions

Now began our real journey. Hitherto our toil had overcome all difficulties, now difficulties would spring up at every step. I had not yet ventured to look down the bottomless pit into which I was about to take a plunge. The supreme hour had come. OK so if you're a reader of Science Fiction, and especially the classics, you owe it to yourself...

Gawd dim it, bollocks, ShazBot and shit snacks... I am so, SO bummed that I didn't experience Jules Verne's novels for the first time as a young man, rather than as an aging manolescent. Reading them now, as a 41 year old, I still find myself carried away in the rollickingness of his...
