## Reader's Opinions

A fun, sensual good time is to be had within the pages of Autumn Sacrifice. A menage of wonder and hot alpha males all rolled into one great story. Any paranormal erotic fan will love anescape with this story!

The story is about Caleb and Brenna's relationship, with his brothers involved on two occasions. I enjoyed it, but I was expecting the menage to be an integral part of the relationships, not just ancillary. Still a good story, though.
