

STIM

Robert is different. He has Asperger's Syndrome. He experiences the world differently to 99% of the population. Follow his entertaining and highly empathetic story as he struggles to realise and accept who he really is, try to understand other people—which he cannot—and find a girlfriend. Especially find a girlfriend—he's decided it's his special project for the year. Accompanied on this transformative journey by his quirky flatmates, Chloe (who also has Asperger's, amongst other things), Stef (who hasn't, but doesn't mind) and their oddly-named kitten,...

Peek Inside the Book

She stepped on a copy of The Hobbit and slipped because of the poor friction of the fiction on the floor,
Kevin Berry, Stim //

Reader's Opinions

I received a copy of this book in exchange for my honest review. Stim isn't your typical story. But then again, Robert isn't your typical guy. He has Asperger's Syndrome and his view of the world is different than anyone else. Which really can be said for anyone, it's just that Robert's is a little more off the beaten track of normal than...

My son has Asperger's Syndrome, so when the chance to review STIM came up, I said yes. The book was very insightful as to what it's like being a person with Asperger's. I have to admit that I'd never heard of the word "stim". It means to self-stimulate such as clapping, rocking, snapping, etc. It makes sense since it's part of the word...
