Reader's Opinions

Excellent reissue of this classic book about the famed 2nd SS Panzer Division during one horrific month in June, 1944, when they were ordered to fortify the Normandy beachhead from the confines of south France and marched north and encountered heavy...

I first read this book many years ago, and have read it many times since then! This is one of Max Hastings early works, and it shows his willingness to engage in difficult topics and explore all of the angles. On the surface it should be an easy case of plucky heroic French resistance rising up against the evil SS committing atrocities....
