

# MAGIC CAN BE MURDER

Nola isn't much of a witch. She can work only a few useless spells, like the one that lets her spy on people by enchanting a bucket of water. But there's no spell for keeping her mother—who hears voices and is a magnet for witch-hunters—out of trouble. The two of them...

## Reader's Opinions

This was a cute book. I recommend it to anyone who is going on a trip who wants to read a book of magic and a little romance. This book is kind of small and for a younger audience but its funny and enjoyable for the short time it takes to read it!

My first love, as a kid, were fantasy novels set in other worlds or in a world suspiciously like medieval Europe. As I grew older, I moved and broadened my horizons, but...
