

SILVER BORNE

Being a mechanic is hard work. Mercy Thompson, for instance, just spent the last couple of months trying to evade the murderous queen of the local vampire seethe. And now the leader of the werewolf pack, who's maybe-more-than-just-a-friend, has asked for her help. A book of fae secrets has come to light and they're all about to find out how implacable - and dangerous - the fae can be.OK, so maybe her troubles have nothing to do with the job. But she sure could use a...

Reader's Opinions

Patricia Briggs does not disappoint us in Silver Borne, the 5th book in her fabulous Mercy Thompson Series. We continue following Mercys life and the world that she lives introuble always follows her as she throws herself into saving or helping her friends. This story goes deeper into the secretive and dark and dangerous fae world....

SPOILERS INCLUDED BUT MARKEDI had to think about this one before rating it. There were some really fantastic scenes, but there were also a few things that seemed like they weren't explored well or didn't come to their logical conclusion based on what we know so far. The four stars is actually 3.5 - 3.75 rounded up. Mercy's still living
