

PLAGUE IN THE MIRROR

In a sensual paranormal romance, a teen girl's doppelgänger from 1348 Florence lures her into the past in hopes of exacting a deadly trade. It was meant to be a diversion—a summer in Florence with her best friend, Liam, and his travel-writer mom, doing historical research between breaks for gelato. A chance to forget that back in Vermont, May's parents, and all semblance of safety,...

Reader's Opinions

In books, the improbable is allowed to occur. The reader can suspend disbelief for the story, he or she can believe that time travelling ghosts can pop up out of nowhere, or that best friends can become boyfriends. Perhaps the reader can even believe that teenage girls can follow their ghost-twins back in time to escape the stress of...

The style just never really worked for me, but it was a pretty quick read.
