Reader's Opinions

Of course I was aware that the Poles suffered horribly during World War II and, as a nation, were the most victimized of all. I already knew that something like 20% of the population of Poland was killed during the war. But that doesn't mean I didn't learn a lot from Dr. Lukas's book. He covers World War II in Poland almost day by day...

This is a meticulously detailed history of the occupation of Poland by the Nazis during WWII. VERY detailed and informative while remaining highly readable. It is also highly objective, though it is not without appropriate subjective aspects. Saddening but necessary history. Highly recommended for all Poles...
