

GHOST NOTES

A bass player ready to jump ship from his mega-band, a drifter who hasn't seen his son for twenty years, a sixteen-year-old high school dropout who's going to rock the world come hell or high water, what melodies will pour forth from these rock 'n' roll hearts? Josh "Hote" Hotle should have no complaints. He's a founding member of Fun Yung Moon, a band that's sold 2.6 million copies of its debut record. He's seen his face on MTV mixed...

Reader's Opinions

As much as I loved Stuck Outside Pheonix I really tired to like Ghost Notes the same. But I couldn't. Because it's not the same. It's a different story in a different time. A band on the edge of stardum is not something I have experienced, but...

Great follow-up to Edwards' first novel, 'Stuck Outside of Phoenix,' that continues the story started in its predecessor but with a twist: First-person narration from the POV of multiple characters. If you have any interest in rock music and the way life just happens to you...
