Reader's Opinions

This book is a surreal and beautifully written adventure which makes up for a startling lack of plot and characterisation with its original Oriental setting and wonderfully odd characters. All in all this is not a book to be read for an exciting story, it's a book...

When I bought this was book I was in a phase of Japanese books. Most of them made by western writers. This one was not an exception. I remember one thing. Beautifully prose language but unfotunally it didn't work for me. I will try to read in a few years when I have more books under my belt. This book mix japanese folklore and culture....
