

# THE TRUE REALITY OF SEXUALITY

First they challenged your spiritual beliefs...then your political beliefs, and now...your sexual belief system is about to go! Globally renowned for their ground-breaking hyperspace/Oversoul research, husband and wife team Stewart and Janet Swerdlow clearly and concisely answer questions that only a few even dare to ask. Delve into your deepest zones of discomfort to discover once and for all how the least-talked about area of your life holds the most...

## Reader's Opinions

This book covers different topics such as sexual programming and deprogramming. I like how there is a little dream dictionary at the end of the book. I think Stewart has the best interpretations of dreams.
