

THE CHINA STUDY COOKBOOK: THE OFFICIAL COMPANION TO THE CHINA STUDY

The China Study, with 850,000 copies sold, has been hailed as one of the most important health and nutrition books ever published. It revealed that the traditional Western diet has led to our modern health crisis and the widespread growth of obesity, diabetes, heart disease, and cancer. Based on the most comprehensive nutrition study ever conducted, the book reveals that a plant-based diet leads to optimal health with the power to halt or reverse...

Reader's Opinions

One of the best cookbooks I own! I have made numerous recipes from this book and they have all been easy, quick and DELICIOUS. Oh my! Added to that these recipes are so much more healthy. I loved using so many different spices. I've modified some recipes on round 2, which is typical for me. Love this cookbook!
