Peek Inside the Book

The Story of the Telegraph and a History of the Great Atlantic Cable, in which they breathlessly proclaimed, How potent a power, then, is the telegraphic destined to become in the civilization of the world! This binds together by a vital cord all the nations of the earth. It is impossible that old prejudices and hostilities should longer exist, while such an instrument has been created for an exchange of thought between all the nations of the earth.⁴⁶ William...

Reader's Opinions

Some nice summary of history, but unfortunately inaccurate in the parts I already know well (e.g. history of blogging) so makes me suspect it's wrong elsewhere too.
