

# LEGION OF SUPER-HEROES, VOL. 1: HOSTILE WORLD

As a part of the acclaimed DC Comics—The New 52 event of September 2011, The Legion of Super-Heroes has been decimated by the worst disaster in its history. Now, the students of the Legion Academy must rise to the challenge of helping the team rebuild—but a threat of almost unstoppable power is rising at the edge of Dominator space, and if the new recruits fail, the Legion Espionage Squad may be the first casualties in a war that could split worlds in half!

## Reader's Opinions

The Legion are a wonderful concept - a pan-galactic team of superpowered teens a millennium in the future. And yet, I've never read a comic about them which grabbed me. They always seem somehow flat and old-fashioned, with attempts to update and round them out coming across as...

On the cover it says this is a the 'most approachable jumping-on point for the legion you'll get.' And that highlights the problem with this book - even aimed at new readers, it's still almost hostile if you don't have a background. Numerous references to previous events and missing characters come up, and even someone like me who has...
