Reader's Opinions

There are only pictures of a few of the recipes in this book. I was able to try a few of the recipes before I had to return the book to the library. But I have re-requested this book from the library to dig in to more recipes.

I am at a point in my culinary life where I finally understand how to read a cookbook. Finally! While this book does not have a gazillion pictures of each recipe, it does a great job of giving practical, explanation, but not condescending instructions. Along the sidebar of many of the recipes are "Tips" designed for the budding chef...
