

THE TRUE PROFITS METHOD

This book is different. It is specifically for business owners who don't really want to be "business" people. They are more passionate about the products or services they provide than anything else, but at the same time don't want to lose money or sleep in the process. The True...

Reader's Opinions

Laurie Mahoney calls the shots from page one of this book. To be perfectly honest, I do not like selling or business. I have never liked it and quickly realized that my interests lay elsewhere. However, I learned a myriad of things from this book, especially when it came to overdue accounts and collection handling. I actually feel like...

Interesting, good bits. actually made me rethink a lot of things in my life!
