## Peek Inside the Book

[...] vous savez, un doute fait plus de mal qu'une dception. Oscar Lewis, The Children of Snchez //

## Reader's Opinions

I read this book as an adolescent, and I still love it, perhaps partly for nostalgic reasons. In its day, it was revolutionary--using anthropological methods to get some big fat slices of a poor family's life in Mexico D.F. Okay, maybe it does go on a little too much in parts, but it sure gives you a good feeling for what life was like...

I was so floored by this book. Even though it was written years ago, it grabs you in and keeps you. It is kind of sad (to me anyway).....but it's a great story of a family in the slums of the Motherland.
