# THE ORIGINS OF ENGLISH WORDS: A DISCURSIVE DICTIONARY OF INDO-EUROPEAN ROOTS

There are no direct records of the original Indo-European speech. By comparing the vocabularies of its various descendants, however, it is possible to reconstruct the basic Indo-European roots with considerable confidence. In The Origins of English Words, Shipley catalogues these proposed roots and follows the often devious, always fascinating, process by which some of their offshoots have grown.Anecdotal, eclectic, and always enthusiastic, The Origins of English Words is...

Reader's Opinions

Fascinating if you like learning about words and language.

The best English dictionary I've read. Period. I was surprised by quite a few entries -- words have interesting histories, don't they? If you are into linguistics or you wish to become a wordsmith of the first rank, this is a must.
